Industrial visits
BAIF, Blood Donation
Camp, Traditional Day

From the HOD's Desk

I take the privilege to welcome you all to the Department of Civil Engineering. The aim of the department is to impart the students a sound knowledge of the theory of civil engineering subjects with exposure to practical knowledge through laboratories and field study. The program emphasizes interdisciplinary team work, communication skills, tools and skills for professional practice, and lifelong learning. We strive to ensure that our graduates understand professional ethics and the value of service to their profession and society through involvement in community, state, and national organizations.

Ms. Sayyad Head of the Department

It's with great pride and immense pleasure, that I am HOD of BSP Civil Dept, the new year issue of the Newsletter that has an interesting topic "Educational Institutes-are they churning centers for lucrative student's careers" as the theme.

Civil Engineering Department

Vision

To develop diploma civil engineers to meet ever-changing industry & societal requirements by providing technical education for socio-economic growth of the Nation.

MISSION:

M1: To develop healthy academic environment for acquiring technical education through effective teaching learning process.

M2: To develop communication skill, critical thinking, team work skill that contribute entrepreneurship development, higher education and manpower to industry and organization.

M3: To impart technical knowledge with ethical and moral standards to resolve societal and industrial issues for sustainable development of the country.

HERALD

NEWSLETTER OF CIVIL DEPARTMENT

Traditional day celebrated by Civil Dept.

Feb 16, Pune: The Civil Department has celebrated its Traditional day with all the glitter, colour and essence which represented the Indian culture and heritage. Students were dressed up in their best traditional attire and traditional festivals like Batukamma, Sadar, Krishnashtami, Diwali and Sankranthi were celebrated. The staff members have enthusiastically participated in celebration of traditional day. It was a moment of great joy and pride as we all stood united to celebrate the spirit of Indian Tradition. All the students gathered on the field and then marched along the driveway to show their love and respect for their country and to promote 'UNITY IN DIVERSITY'.

Industrial Visit of Civil Department

Feb 22, Pune: The Industrial visit of Civil third Year students was held at BAIF, Uruli kanchan, Pune Maharashtra. on 21 Feb. 2018. The students have real experience along with the industrial person. Mr. Bhagwan Explain the students why waste management is necessary and their purpose. The main purpose is to manage the organic waste generated from various human activities like agriculture and animals to reduce the pollution. The Technical person who is appointed for guiding the students was also very happy to solve the student's queries. There was a wonderful experience and hope this type of visit will be arranged soon by Civil Department

BLOOD DONATION SOCIAL ACTIVITY BY CIVIL DEPARTMENT

Feb 24, Pune : The Blood donation camp was organized by civil department on 20th february 2018 between 1.30 p.m. to 4.00 p.m at BHIVRABAISAWANTPOLYTECHNIC WAGHOLI. On precious occasion of 'SHIV JAYANTI' " Forget about Religion and Caste, Lets come together and Donate Blood as One" was the main slogan of the blood donation camp. The program was held with a great participation of donors. It was observed during camp that students are aware of the more deaths are caused due to road accidents, in which blood loss is a major problem. So they said that Blood Donation is next to GOD worship.
